

## PETIKAN TITAH

Beta melihat Majlis Ilmu sejak ia mula diadakan telah banyak mengongsikan pelbagai ilmu dan maklumat yang sangat berfaedah.

Beta difahamkan tema majlis Ilmu tahun ini berbunyi **"Menangani Gejala Mental."**

Orang-orang yang mengalami kecelaruan mental biasanya menghadapi gangguan emosi dan pemikiran, dan sekali gus boleh mengganggu hubungan sosial mereka dengan orang lain.

Sebab itu, mental yang sihat adalah diperlukan, untuk seseorang dapat mengurus emosi dan menikmati kehidupan. Sebaliknya seseorang yang mempunyai kecelaruan mental tidak akan dapat berbuat demikian, bahkan akan gagal untuk menangani sebarang cabaran.

Menurut ajaran Ugama Islam, kesihatan fizikal dan kesihatan mental adalah merupakan anugerah dan nikmat yang dikurniakan oleh Allah *Subhanahu Wata'ala*, yang wajib dijaga sebagai salah satu maqasid syar'iah.

Dalam konteks Negara Brunei Darussalam, ikhtiar menangani gejala mental telah dan sedang dilaksanakan. Antaranya Kerajaan Beta telah meningkatkan jumlah pegawai psikologi dan menambahkan masa perkhidmatan Talian Harapan 145 iaitu talian bantuan dan sokongan kesihatan mental kepada 24 jam setiap hari.
